

Pattern pieces flap pocket

Created by Spiegelstiksels for Sew, Mama, Sew!

Here are the sizes for the flap pocket I made on my daughters blazer. The pocket is deep enough for an adult, but you would want to change the width of the pocket and the sizes of the flap for a larger jacket or coat.

The finished flap measures 5 cm by 12.5 cm

- pocket flap: 7.6 cm by 14.7 cm
- flap lining: 7.4 cm by 14.3 cm
- template for the flap (not on the picture): 5 cm by 12.3 cm
- pocket strip and facing: 6 cm by 15.5 cm
- facing pocket bag: 6 cm by 15.5 cm
- pocket lining: 16 cm by 15.5 cm
- pocket lining: 20 cm by 15.5 cm
